2. Introduction of Competency Portal

The Competency Portal is being developed to streamline and centralize the approach to managing training activities, making the Annual Capacity Building Plan more dynamic. The portal will also be used to identify training gaps for each officer and suggest suitable training interventions. It is not just intended as a departmental tool, but as a scalable and replicable product that can be deployed across multiple ministries, departments, or organizations

Key Features:

- Competency Passport Generation
- Training Gap Identification
- Training Intervention Suggestions
- Online training nomination facility
- Competency Upskilling Scheme
- Reports on Competency profiles and training
- Analytics and Reporting

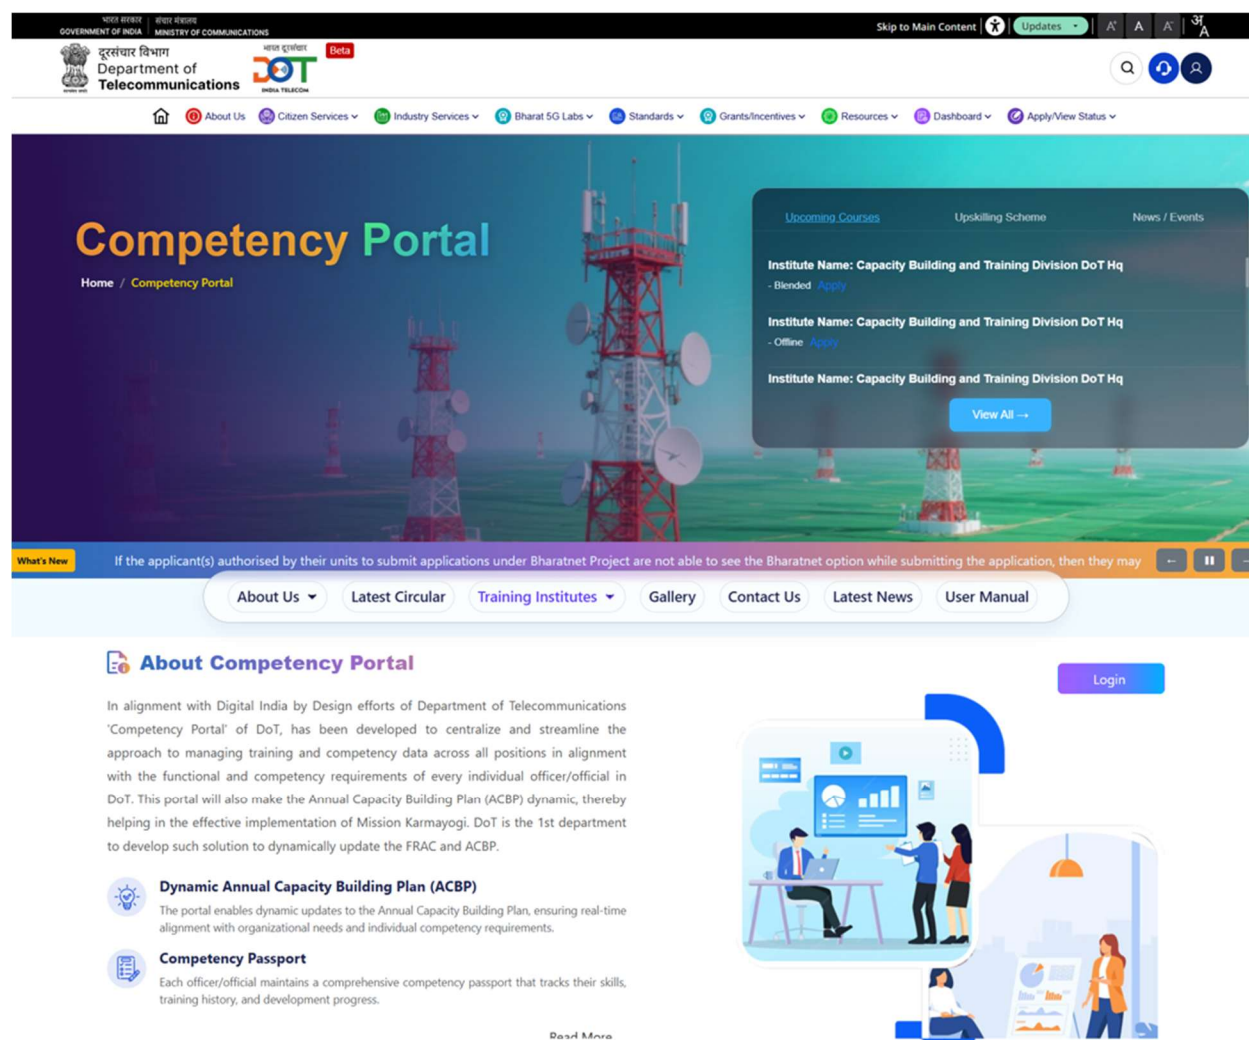

3. Pre-requisite / Pre-conditions

- User must be a fully registered account holder on the portal.
- Active status with no account suspensions or pending verifications.
- Users should have access to registered mobile number/email for password reset or SSO login.
- Access to registered mobile numbers, or email for authentication and recovery.
- Compliance with two-factor authentication (2FA) or OTP verification where enabled.
- Browser compatibility with modern standards (e.g., latest Chrome, Firefox) and JavaScript enabled.
- Stable internet connection supporting HTTPS access to the portal domain

4. Competency Portal

4.1 Login

- Open the link <https://competency.dot.gov.in/>, it automatically redirects to <https://eservices.dot.gov.in/competency-portal/>. Users can also directly access the application using <https://eservices.dot.gov.in/competency-portal/>.

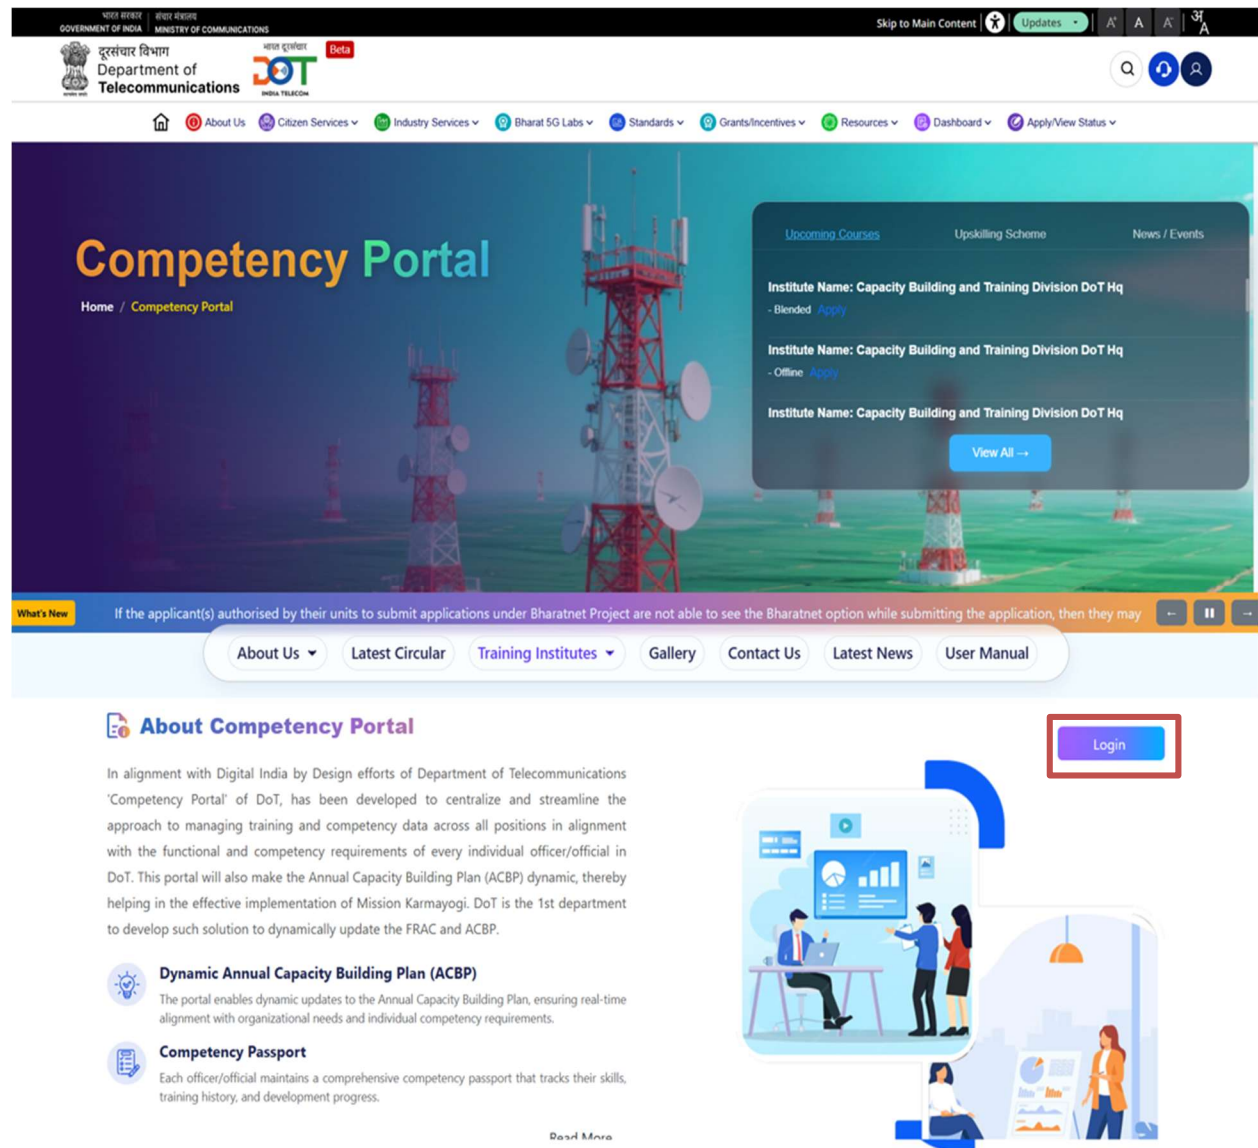

- If the message “This link shall take you to a page outside the website. For any query regarding the content of the linked page, please contact the webmaster of the concerned website.” is displayed, click the OK button.

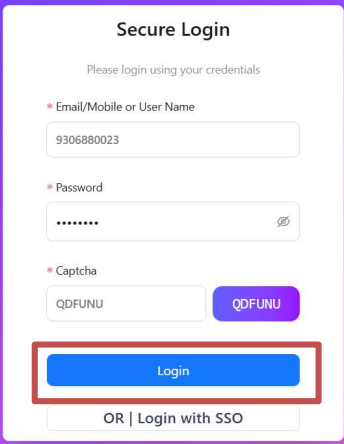

Portal: Competency Portal

User Manual: FRAC Assessment

- Click the “Login” button on the portal’s homepage.

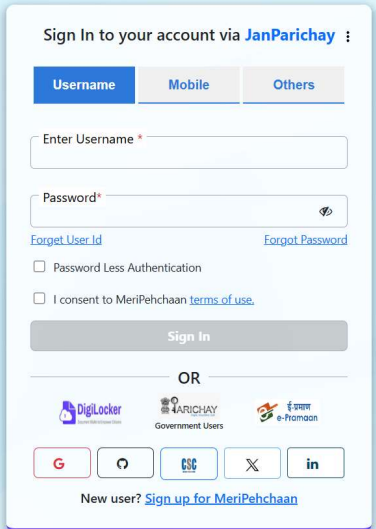

- Either enter your username (username/email/phone number), password, and captcha, then click the Login button, or select SSO Login through JanParichay to proceed with SSO authentication.

The image shows a 'Secure Login' form on a purple-to-pink gradient background. The form is white with a red border around the 'Login' button. It contains the following fields and elements:

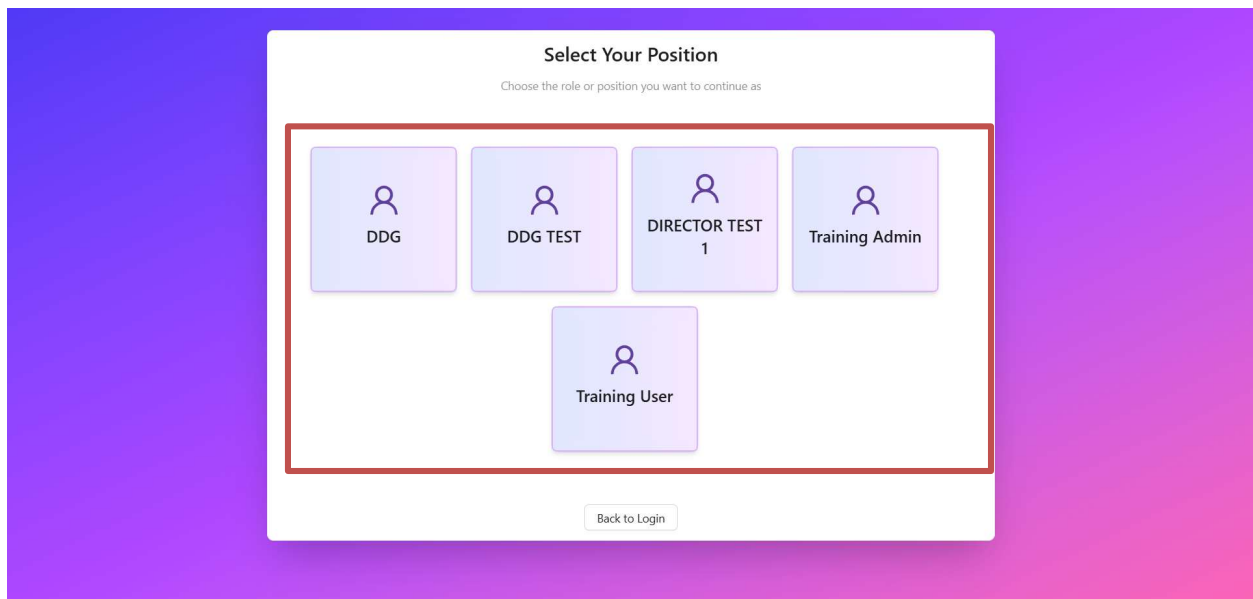

- Title:** Secure Login
- Instruction:** Please login using your credentials
- * Email/Mobile or User Name:** A text input field containing '9306880023'.
- * Password:** A password input field with a toggle icon.
- * Captcha:** A text input field containing 'QDFUNU' and a blue 'QDFUNU' button.
- Login:** A blue button with the text 'Login', highlighted with a red border.
- OR | Login with SSO:** A link below the Login button.

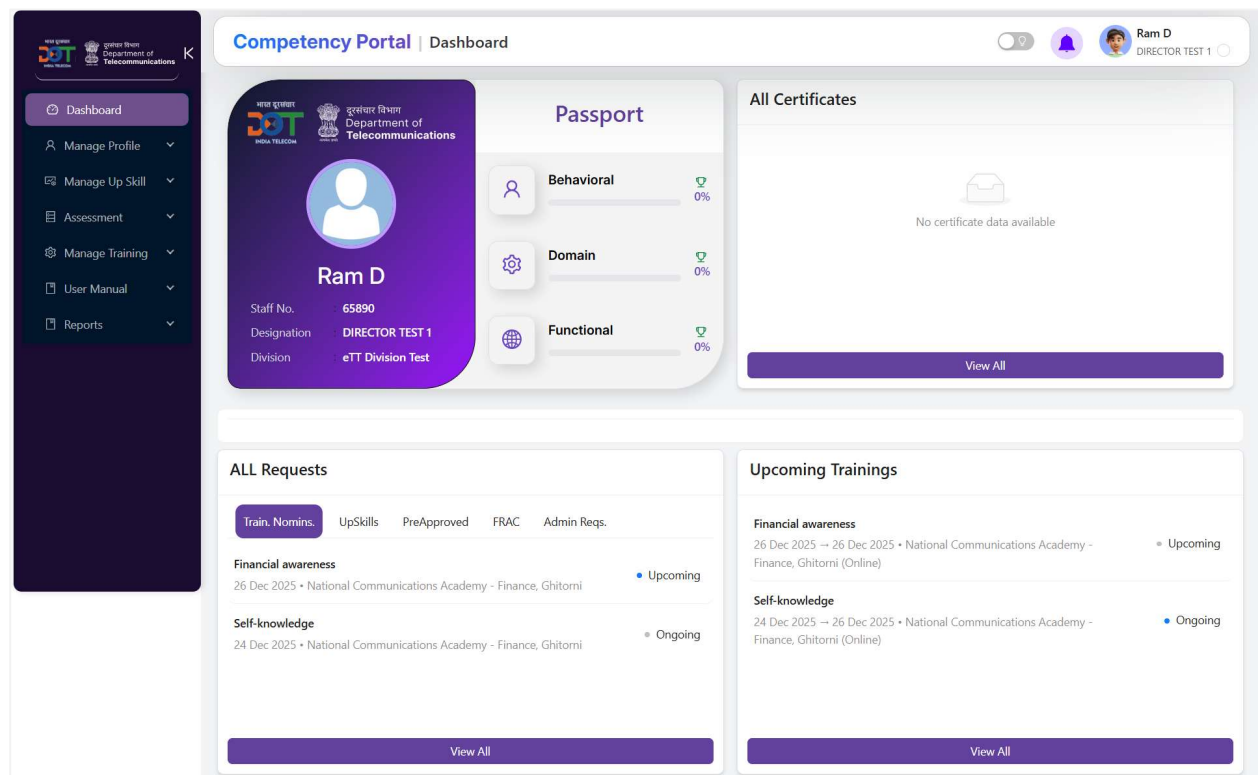

The image shows the 'MeriPehchaan SINGLE SIGN-ON SERVICE' login page. The form is white with a blue border and is set against a light blue background with a geometric pattern. It includes the following elements:

- Header:** MeriPehchaan SINGLE SIGN-ON SERVICE logo with 'DigiLocker' and 'e-Sam e-Pramaan' logos.
- Sign In to your account via JanParichay :** A heading.
- Username | Mobile | Others:** A tabbed interface with 'Username' selected.
- Enter Username *:** A text input field.
- Password*:** A password input field with a toggle icon.
- Forgot User Id** and **Forgot Password**: Links below the password field.
- Options:** Two checkboxes: 'Password Less Authentication' and 'I consent to MeriPehchaan terms of use'.
- Sign In:** A grey button.
- OR:** A separator.
- Logos:** DigiLocker, 4ARICHAY Government Users, and e-Sam e-Pramaan.
- Social Logins:** Buttons for Google, Facebook, CSC, X, and LinkedIn.
- New user? Sign up for MeriPehchaan:** A link at the bottom.
- Profile Icon:** A circular icon with a person silhouette in the bottom right corner.

- After successful authentication (via credentials or SSO), the system allows you to select a profile if more than one profile is configured with the same mobile number or email. When you click the desired profile of the account, you will be logged into the portal and redirected to the authorized dashboard or landing page.

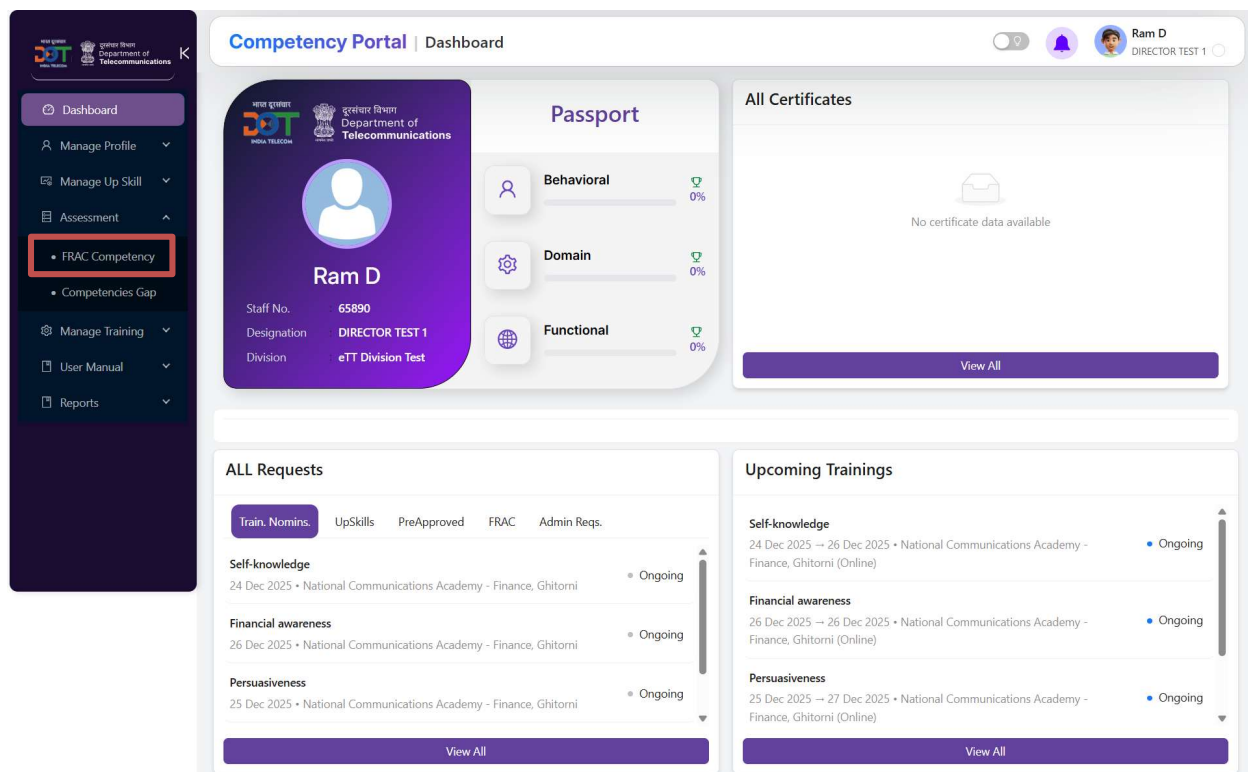

- If only one account is associated with the mobile number or email, you will be logged into the portal directly

4.2 Assessment (FRAC Assessment)

4.2.1 Individual Officer shall submit the FRAC Assessment to the Nodal Admin (Reporting Officer) for approval.

- Click on FRAC Competency under the Assessment menu.

- The system will display the FRAC Competency screen. This screen shows the Logged-in Officer's Profile Details, Required Competencies for Designation, Acquiring Competencies for Designation, Manually Add Other Competencies and Request Lists.

The screenshot displays the 'Competency Portal' interface for a user named 'Ram D' with the designation 'DIRECTOR TEST 1'. The interface is divided into several sections:

- Profile Details:** A section at the top containing personal and professional information.

- The request will be submitted to the Nodal Admin (Reporting Officer) for review and approval.

4.2.2 Nodal Admin (Reporting Officer) shall review the FRAC Assessment and take appropriate action.

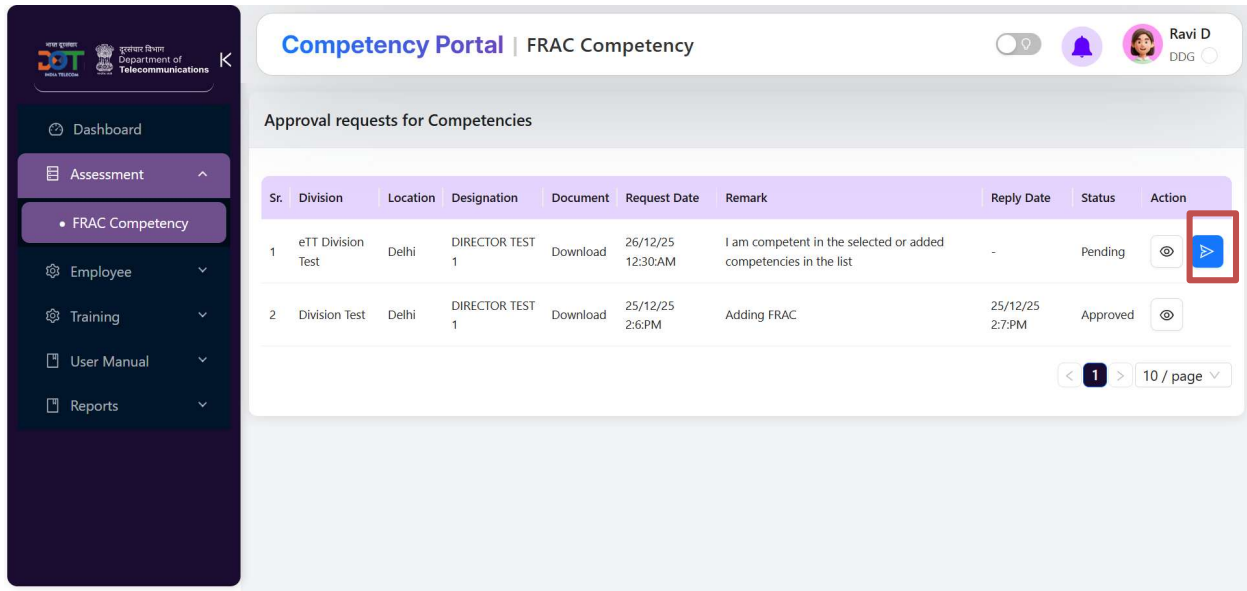

- Click on FRAC Competency under the Assessment menu.

Portal: Competency Portal

User Manual: FRAC Assessment

- Select any one FRAC assessment request. For requests that are pending for action, the Take Action icon will be visible under the Action column.

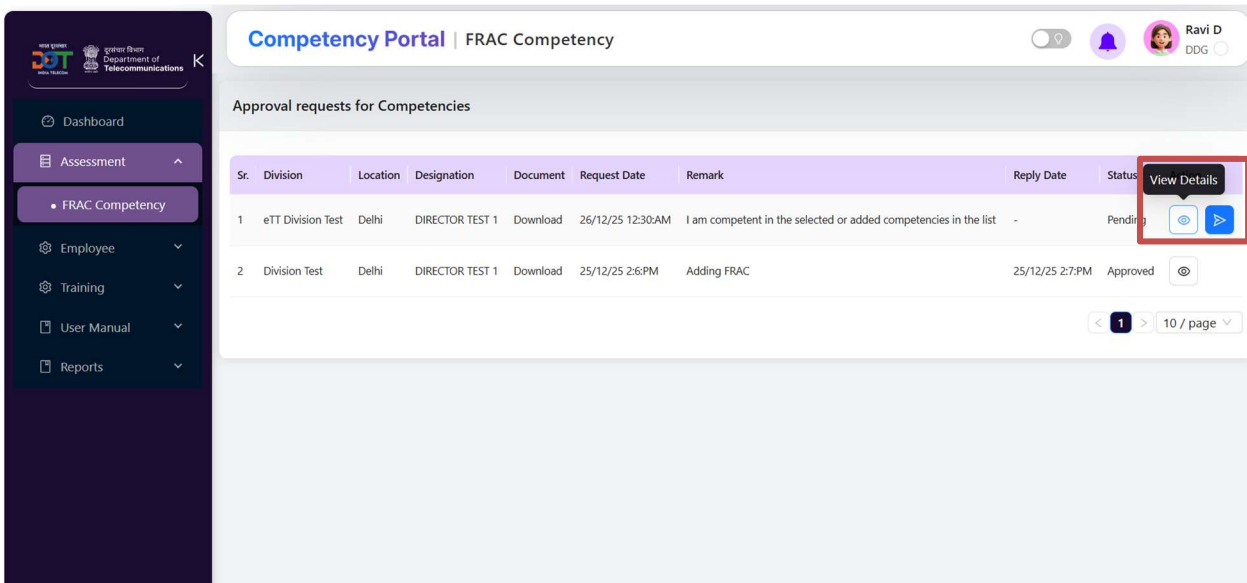

The screenshot shows the 'Competency Portal' interface. On the left is a dark sidebar with navigation links: Dashboard, Assessment (expanded), FRAC Competency, Employee, Training, User Manual, and Reports. The main header area includes the portal title, a search icon, a notification bell, and a user profile for 'Ravi D DDG'. Below the header, the section 'Approval requests for Competencies' contains a table with the following data:

Sr.	Division	Location	Designation	Document	Request Date	Remark	Reply Date	Status	Action
1	eTT Division Test	Delhi	DIRECTOR TEST 1	Download	26/12/25 12:30:AM	I am competent in the selected or added competencies in the list	-	Pending	 
2	Division Test	Delhi	DIRECTOR TEST 1	Download	25/12/25 2:6:PM	Adding FRAC	25/12/25 2:7:PM	Approved	

At the bottom of the table, there is a pagination control showing '< 1 >' and '10 / page'.

- Click on the view details icon under the Action button to view the competencies details

This screenshot is similar to the previous one, but with a 'View Details' tooltip appearing over the 'View Details' icon (an eye) in the 'Action' column for the first row. The tooltip contains the text 'View Details' and a magnifying glass icon. The rest of the interface, including the sidebar and table data, remains the same.
